~~~~~  
 "For lo, the winter is past  
 The rain is over and gone  
 The flowers appear on the earth  
 The time of singing has come. . . "

So wrote King Solomon in the Song of Songs. And since the rabbis declared Shavuot to be the most pleasant of all Jewish holidays, we too, look forward to summer and relaxation from some of our duties.

It has been a long, busy year for many of us. It has been an exciting year for others. This past year has been a meritorious one for New Hope. We have celebrated many Simchas, honored deserving members on those occasions, and, in addition, celebrated our Thirtieth Anniversary as a congregation. What a year to remember!

For the next few months we can reminisce and enjoy these pleasant memories. But---- let us return in the autumn with renewed vigor, determination, and a fresh outlook toward our future plans and desires.

May the summer  
 season--for all of you--be:  
 A happy one!  
 A healthy one!  
 A fulfilling one!

Joyce Heiman  
 Sisterhood President

HEBREW SCHOOL SPECIAL

On Sunday, June 1, 1969 the students of Mrs. Rabenstein's History class will have the kibbutzim that they created on display in the Heiman Hall. The kibbutzim was a project in our study of Israel and the ideas came from the students. The kibbutzim will be judged for originality, neatness and accurateness. All of the Members of New Hope are cordially invited to attend and to see our displays.

**NEW HOPE CHILDREN WRITE
 LETTERS TO G-D**

The following are some of the letters written by the students in Classes IV and V. Those letters that do not appear in this bulletin will appear in the bulletins for next year.

Dear G-d,

I have to ask you a question. There is a war in Viet Nam and there is going to be one in Israel. Do you know you can stop all the wars?

Love,
 Mimi K.

~~~~~  
 Dear G-d,

I am thankful that I have a mother and father. I am glad that I live in a free country. I hope that the wars will stop and there will be peace. I hate wars because they kill so many people. I hope the wars now won't turn into world wars like it did in World War 1 and 2. I hope the world will be a free world one day.

Love,  
 Eddie

~~~~~  
 Dear G-d,

I am thankful for all the wonderful things I have. When my parents and grandparents were my age, they didn't have it as good as I do now. People then were rich or poor, nothing in between.

People today say that they don't have everything they want. But they have much too much. Not all people live in beautiful houses and are rich. There are many slums in America and other places. These people would do anything, almost anything to get a job. They're the ones who want and need a job.

Negroes and the American Indians are ignored very much. Some, not all of these people think that violence is the way to cure this ignorance.

The Viet Nam War has killed and injured many men. Communism is all over the world. Most of all will you please do something about the Arab-Israeli War? Arabs are like a second Hitler. Everyday on the news you hear something about Iraqi hangings of Jews.

I thing the most important things in life are good health, happiness, and

wealth. I am not rich nor poor. I wouldn't want to be real rich or poor.

I know that I have written mostly about the tragedies of the world because I hope that you will try to make these better.

Love,
 Carolyn

~~~~~  
 Dear G-d,

I am sorry that some people are poor. Could you help them? I have a cold, could you help me? I really hope I get well soon. Don't let me get real sick.

Love,  
 Gary Freudenthal
