

The Book Of Life

צדיקים אפילו במיתחם נקראים חיים

To our loved ones, who are no longer with us, but the image of whose personalities is ever before us, this Book of Life is dedicated. Although they are gone to another realm, like the rays that linger behind after the sun has set, the recollection of their deeds continues to illumine our lives. The impulses of generosity for worthy causes that they engender in us are proof of the spiritual sway they still exercise upon us and a corroboration of the assertion of our sages that "the righteous may even in death be accounted living."

May our offerings this day redound to the fulfillment of their unspoken wishes and the perpetuation of the noble ideals which were the substance and fabric of their immortal souls.
