KINDLING THE ETERNAL LIGHT

RABBI

In the beginning God created the Heavens and the Earth. Now the earth was un-
formed and void, and the darkness was upon the face of the deep; and the Spirit of
God hovered over the face of the waters. And God said: "Let there be light," and
there was light.

FOR THE FOUNDERS

We are the Keepers of the flame ignited in the Almighty's First Commandment.
Let this Master Taper on this Day of Dedication, be for us the incandescent spirit
of our congregation, uniting the various branches of our family tree in service to
God, even as the ancient pillar of fire marked the path of the Tribes of Israel and
forged them into one people.

CONGREGATION

Let this flame ascend heavenward and find favor in Thy sight.

FOR THE SISTERHOOD

Light, in the tradition of Israel, is the province of Woman. She kindles the Light
of Holiness; through these her household is blessed. May this House be consecrated,
O Lord, by Thy Light. May it shine upon us all in blessing, that these lights may
be to us, the light of love and truth, the light of good will and peace.

CONGREGATION

Let this flame ascend heavenward and find favor in Thy sight.
