

Voice: Welcome, welcome - Glad to see you  
The old folks are waiting downstairs

Chorus: We enter the room - a smile - and HI!  
We join hands, our bodies sway,  
The awaited circle is formed  
HORA!

(sing and dance - "Hava Nagilah")

Chorus; This is new and this is young  
But for them we sing the past

(Yiddish melody - Larry Berkowits)

Another dance, another song  
It is time to go  
Into the cars - we're on our way home  
SEE YOU NEXT YEAR!

(chorus moves back to the middle of the stage)

Chorus: We have lived a week  
We've sung and danced  
And talked and laughed  
Ten years of weeks  
Ten years of growth  
Oh yes - Our house - Hillel House  
Straight Street  
Ten years of struggles, joys and disappoint-  
ments.  
We meet and plan - for ourselves, for others  
"Glad you could make it"  
SEE YOU NEXT YEAR..... The end.
