To The Rabbi Morris Besdin Family
82-46 Leffests Boulevard

Dear Friends,

It is with a deep sense of grief that we of The New Hope Family express our sincere condolences on the untimely passing of your beloved husband and father. We, as a congregation, were always looking forward to his visits in Cincinnati and even though he never addressed the congregation officially, he communicated his gems of wisdom in personal interchange.

May you find consolation in the knowledge that his teachings will be perpetuated in the minds of many of his students, since he was recognized as a great "Teacher in Israel."

"HAMOKOM Y" NACHEM ES'CHEM B'TOCH SH'OR AVEILEI TZIYON
VIRUSHOLAIM."

Sincerely,

Jerry Schottenfels,
President
