PSSST . . . Pass on a Good Thing!

Enclosed you will find the envelope we used this year to mail our Rosh Hashanah edition of KOSHER KOUpons!

We're sorry we can't send sample coupons but our manufacturers insist that coupons only be sent to Jewish households.

Our mailing went to 562,600 Jewish homes (the largest Jewish mailing in history) and we are expanding our mailing in your community.

Future mailings are scheduled to arrive in Jewish homes just prior to Hannukah, Passover and once in early summer.

While KOSHER KOUpons is not a Halachic authority, we do check to make sure that all food items in our packet have recognized Kosher certification.

If, as a service to your congregation, sisterhood or organization, you'd like to be sure that they receive these free \$\$\$ saving coupons, just send a typed, updated copy of your mailing list in the enclosed postage-paid envelope to:

Ruth Cohen
KOSHER KOUpons
P.O. Box 17799

and we'll add your friends to our next mailing!

Wishing you a Happy and Healthy New Year.

Shalom U'vracha,

Ruth Cohen
