If you're tired of seeing the scratchy hen tracks that pass for writing in so many of our schools, you'll welcome our new publication.

GUIDE TO HEBREW SCRIPT

A practical student's workbook for the study
of the Hebrew Script alphabet

Designed to inculcate good Hebrew penmanship habits, GUIDE TO HEBREW SCRIPT is an effective aid to teaching correct Hebrew script as officially defined by the Israel Ministry of Education. And to make life easier for the hard-working classroom teacher, the manual comes in a three-prong loose-leaf folder with clear instructions on every page, so that individual sheets can easily be collected to check homework assignments.
