Dear Sirs, *עיר*

Mr. Jizchak Gross, Governor of the Nachal Sorek District,
has safely returned to Israel and we were happy to hear of
your friendship and of your kind support of our education
work here in Israel.

Please accept our sincerest thanks for your generous
donation in the amount of

\$300.- (Three Hundred Dollars).

All our institutions in "Yad Bejamin" will now be considerably
expanded and various new courses will be established. As you
well know this is demanding tremendous efforts and is connected
with many additional expenses. We should like to stress that
your kind ~~help~~ and your deep interest in our work are a real
source of encouragement to us. May we express the hope that
you will be favourably inclined towards "Yad Benjamin" in the
future as well and that you will become our partners in this
so urgent task of educating Israeli youth for a useful and
religious way of life.

Thanking you again and wishing you a kosher Pessach,
we remain with kindest regards,

very sincerely yours,

for "YAD BENJAMIN"

JACOB BRONER
