Dear Mrs. Litvack:

The Rabbinical Assembly has learned with deep satisfaction that the Congregation Adath Israel is celebrating the completion of 25 years of service to the congregation and the community by Rabbi Fishel J. Goldfeder.

Rabbi Goldfeder's many hundreds of colleagues in the Rabbinical Assembly feel honored that you are honoring him. The respect that he has earned from all of us catches that which he has acquired in the community in which he serves with such distinction.

The Hebrew symbol for 25 is Kaf He. That spells the word "Kah". I think it is therefore appropriate that I say both to Rabbi Goldfeder and his congregation "Kah LeChai" - "May he and you flourish for many years to come".

Sincerely yours,

S. Gershon Levi

Dear Fishel:

Let me join your many other friends and admirers in expressing best wishes to you on the occasion of your twenty fifth anniversary with Adath Israel. Your years of devoted service have set a standard for all of us and you have been a good friend and wise counselor to your colleagues down through the years. We have been blessed through your presence in our midst and so we rejoice with you at this well earned tribute and recognition which you are receiving.

Thank you for inviting us to attend the testimonial. We would very much like to be with you on this festive occasion but I am afraid that I won't be able to get away since this is the night of the Israel Pond Dinner here at our synagogue.

Be assured that our thoughts will be with you if we don't come and that our prayers and best wishes for your continued good health and happiness are offered with a whole heart. God bless you and your dear wife with much na'ama always and may you continue to guide and teach your people for many more years to come.

Shalom vichol tov,
