

### TO BE READ IN UNISON

O Lord, as we recall our departed Dan Spiegel and the blessings he bequeathed us we pray Thee to keep his soul united with ours in the land of life. May our faith, like his, be strong, our devotion to the Torah unfaltering, our love for mankind constant, and our concern for Israel and humanity unceasing. For as we identify ourselves with the life, hopes and traditions of an eternal people, we ourselves, take on the aspect of eternity. May we so live that when our years draw to a close, we too, shall be remembered for good and for blessing.

Amen
